Local Red Cross Campaign To Get Underway In June

The Didsbury and District Red Cross campaign, which was postponed from the month of March, will be conducted from June 1-30 and to start the canvassers working a canvassers' supper meeting will be held in the Lions hall on Tuesday, June 3, starting at 8:00 p.m. At this meeting the canvassers will be given their supplies and they are all asked to attend.

In past years the Didsbury and district Red Cross canvassers have completed their duties without a complaint and their enthusiasm has brought forth many favorable comments from the Division headquarters. It is to be hoped they will again meet the challenge faithfully.

Gordon Shaw, assistant commissioner, will attend the supper meeting and speak to the canvassers. While the provincial campaign to raise \$400,000 is drawing to a close, \$25,000 is still needed to complete the objective. Didsbury's 1952 quota has been set at \$25,000 and it can be topped if everyone will give as generously as in previous years.

Fishermen's Night Planned For June 13

At a meeting of the Didsbury Fish and Game Association recently it was decided to have a Fishermen's Night, and final plans have been completed to hold the entertainment on Friday, June 13, starting at 8:30 p.m.

Prizes will be given for the best dressed fisherman, best dressed woman and best dressed boy in fishing costume. Films will be shown and luncheon served at the close of the entertainment.

Everything is free and everyone is welcome. This night is one of entertainment provided for the sporting fraternity of town and district and it is hoped to have a large turn out. Visitors are as welcome as members. It is expected that the president of the Alberta Fish and Game Association, Floyd Mitchell, and the local game guardian, Chris Marlett, will be present to speak briefly on provincial and local conditions regarding both hunting and fishing.

Midget Baseball League Formed

Three teams of midget baseball players, 14 years and under, are being formed and each night over 30 boys have been turning out to practice. The Lions Club will provide uniforms for players and it is planned to have two games each week.

All-star team will be chosen from the three-team league and will compete in midget tournaments in the district.

Sorenson is coaching the midgets and is assisted by Lee Berscht, Howard Allenson and Wayne Stauffer.

Innisfail Athletes Top Rosebud Track Meet

Students from Innisfail once again showed their superiority in track events when they captured the trophy for the third successive year at the annual Rosebud inter-school track meet held at Olds Thursday, May 22. There were more than 250 participants from Carstairs, Didsbury, Olds and Innisfail.

Total points were: Innisfail 310; Olds 232; Didsbury 212 and Carstairs 215. Local students were unsuccessful in their quest for top honors in the track meet, but one member of the team, Laverne Newfield, picked up 18 points to win the medal in the Senior "A" boys' division.

C.P.R. TRAIN TIMES AT DIDSBURY

NORTHBOUND:
No. 521—(flag stop) 1:10 a.m. daily
No. 523—Daily except Sunday, 11:32 a.m.
No. 525—Daily at 6:21 p.m.
No. 527—Daily "Esquima" 10:00 a.m. (stops only on flag on Sundays)
SOUTHBOUND:
No. 522—Daily 4:46 a.m.
No. 524—Daily 12:46 p.m.
No. 526—Daily except Sunday, at 5:00 p.m.
No. 528—Daily 6:21 p.m. (stops on flag on Sundays only).

Cal Club Rally Planned For Saturday

There will be a rally of five Beef Cal Club members at the farm of Hugh Francis on Saturday, May 31, at 12 noon. This farm is seven miles south west of Carstairs on the Cremona road, and one mile north. Coffee will be provided, but guests please bring a picnic lunch. The public and anyone interested are welcome.

The club members will judge three classes of Hereford cattle and the two winners will be chosen to represent this district at the provincial finals at Olds in July. There will also be a demonstration of washing, curling the calf and of showmanship. In short, the members will be instructed on how to groom and show their calf at the Achievement Day at Carstairs June 4, when the calves will be sold.

Mr. Hugh McPhail, district agriculturist, will be assisted by the club leaders in arranging the program.

TO PLAY HERE TODAY

Weather permitting Airline will play their first baseball game of the season here today (Wednesday) at 2:30 p.m.

Primary Students Hold Successful Track Meet

Enthusiasm ran high at the school sports grounds Thursday afternoon, May 22, when the Primary division of the town schools, under the direction of Mrs. Bookor, Mrs. Berill and Miss Wilson, held its annual sports day while the Intermediate and Senior rooms were competing in the inter-school track meet at Olds.

The following pupils were the happy ones who went home wearing red, blue, orange or green ribbons, all equally proud of their achievements in the various events: 50 Boys' Days—Gary Shantz, Richard Shannon, Darrold Banta, Murray Wackett.

Girls 6 years—Donna Dippel, Audrey Blane, Marion Folkmann, Judy Bromhall.

Boys 7 years—Douglas Gillrie, Gordon Blymer, Laten Armstrong, Pat Nelson.

Girls 7 years—Bonnie Franklin, Yvonne McMann, Mary Lee McCoy, Betty Lou McCoy.

Boys 8 years—Vernard McMann, Bobby Gunderman, Brian Cathness, Ralph Clarke.

Girls 8 years—Lois Leach, Carol Dippel, Faith Stevens, Phyllis Murray.

Boys over 8 years—Lynn Gillrie, Ross Stevens, Bobby Penner, Donald Gunderman.

Girls over 8 years—Georgina Gerlitz, Arlene Skaar, MaryAnn Landeen, Carol Stead.

Running Broad Jump
Girls 6 and 7 years—Douglas Gillrie, Gary Shantz, Gordon Blymer, Mervin Luff.

Girls 6 and 7 years—Rathburn, Judy Bromhall, Mary Lee McCoy, Betty Lou McCoy.

Boys 8 years and over—Lynn Gillrie, Lester Clarke, Ross Stevens, Donald Gunderman.

Girls 8 years and over—Arlene Skaar, MaryAnn Landeen, Georgina Gerlitz, Carol Eby.

Wheelbarrow Race
Boys, all ages—Dennis Brado and David Vigoren, Bobby Gunderman and Earl Leonard, Gordon Blymer and Wayne Kristiansen.

Crab Race
Boys, all ages—Douglas Gillrie, Richard Shannon, Bobby Gunderman, Lloyd Stanton.

Girls, all ages—Carol Eby, Mary Lou McCoy, Carol Stroud, Betty Lou McCoy.

This baby harp seal is one of the amateur actors in "Newfoundland Scene," a Canadian documentary half-hour feature which recently won the Best Canadian Film award for 1951.

Carnival Ends With Draw For Prizes

The spring shopping carnival, sponsored by the Didsbury Board of Trade, came to an end at 6 p.m. Friday, May 23. Bargains in merchandise and service were shared by most district people and although everyone didn't win a prize they had fun trying.

Lucky tickets were drawn at the Didsbury Opera Theatre Friday night and the first one pulled was No. 20489, held by Mrs. Wendel Goehse of Didsbury, who is now the proud possessor of the combination radio-phonograph, first prize in the event.

The second ticket drawn was No. 15791, but the prize of a chrome kitchen set, a table and four chairs, has not yet been claimed.

Third prize, a chest of silverware, was won by Mrs. Molly Fulkert, with ticket No. 15327.

Alternate numbers drawn in case the above prizes were not claimed, were: 23263, 23567, 20713.

1716 PUPILS PARTICIPATE IN MUSICAL FESTIVALS

The six musical festivals scheduled for the Olds Inspectorate were concluded May 23 when participants from the towns of Didsbury, Olds and Carstairs met at Carstairs. Other centres were: Cremona, Wimbome, Olds Rural, Sundie and Carstairs East.

Eighty-two rooms participated, totalling 1716 pupils associated in 225 group competitions, and in 177 individual events.

The directors, Mrs. M. Campbell, Mrs. A. Francis, Miss E. Olson, Mrs. L. Atkinson, Mr. N. Chepil and Mr. J. Weir, together with all principals and teachers, are to be commended on their very effective organization.

The adjudicators expressed their pleasure in the fact that all of the festivals showed marked technical improvements in all phases of the work.

Large audiences of parents and interested individuals attended the festivals, attesting their interest in this cultural activity.

Large Scholarship Plan Offered By Hotelmen

The largest and broadest scholarship plan ever offered to Albertans was outlined May 27 by A. G. Swinerton, of Fort Macleod, Alberta Hotel Association President. He designed to assist several students annually, the program is sponsored by the licensed hotelmen of the province, through the Association.

Mr. Swinerton revealed details of the plan during his presidential address at the A.H.A. 32nd annual convention at Edmonton. He said that \$15,000 would be available for scholarships this year. He added that the amount to be spent annually in future years would be double the amount spent on this year's inaugural scholarships.

Financial assistance to worthy students who otherwise would be deprived of their advanced education is provided by the program. A feature of the Alberta Hotel Association's Scholarship Plan is the fact that it will not be confined to University courses. For example scholarships may be granted to those pursuing the fields of agriculture, oil, forestry, mechanics, dress-making, nursing, teaching and other vocations.

The first A.H.A. Scholarships will be awarded following release of Grade XII departmental examinations. This year all scholarships will be tenable at the University of Alberta but this will not be the policy for future years.

DIDSBURY HOSPITAL BIRTHS
Born at the Didsbury hospital to Mr. and Mrs. Henry Lowen on Wednesday, May 21, a girl.

To Mr. and Mrs. F. L. Lawrence of Carstairs on Thursday, May 22, a girl.

To Mr. and Mrs. Dwayne Fobes on Monday, May 26, a girl.

These fox cubs, now a month old, are playmates of Dianne Guthrie, of Ancestor, Ont. Dianne's parents, Mr. and Mrs. K. A. Guthrie, recently received a gift of five fox cubs, and right now they're wondering what to do with the little fellows.

Hospital Tag Day To Be Held Saturday

Annual hospital tag day of Mons Chapter L.O.D.E. will be held Saturday, May 31.

For many years now Mons Chapter has been solely responsible for the upkeep of the nursery at the hospital. Since moving into the new hospital all new beds and linen and an incubator have been purchased.

Funds for this project are raised only by these tag days and complete co-operation for this one day of the year is a small thing to ask when the benefits are considered.

MEDAL WINNER

Shown above is Laverne Newfield of the Didsbury High School who scored 18 points in the recent Rosebud inter-school track meet to lead the Senior "A" Boys' division and win a medal.

REGULAR MEETING OF THE W. A. EVENING GROUP

The regular meeting of Knox United Church Evening Group W. A. was held at the home of Mrs. Ed Clayton Monday evening with 18 members present.

Mrs. S. Devine, citizenship convener, gave the ten steps to Canadian citizenship.

Mrs. M. Wood conducted the devotional service. A short memorial in observance of closing of mourning for the late King was given by Mrs. W. McCoy.

At the close lunch was served by the hostesses, assisted by Mrs. Devine, Mrs. R. Dawson and Mrs. E. Clarke.

FISHERMAN'S LUCK

Fishing is improving in the local streams but many local sportsmen are still coming home empty handed. Ed Wiggins reported a creel of eight nice fish taken out of the Alfred on the weekend.

WESTERDALE

Mr. and Mrs. John S. Graham and daughter Joan Marie of Coaldale were visitors at the home of Mr. and Mrs. H. Jackson Saturday and Sunday.

Sunday's rain storm caused the postponement of the Hartman and Sundie versus Westerdale baseball game.

Arthur Jackson celebrated his 71st birthday a week ago Sunday when a few young folks in the district were invited for supper and later enjoyed games.

A white blanket of frost lay over the countryside Tuesday morning but no damage has been reported.

Pioneer Resident Dies At Age 91 Years

Rev. Ray Shantz conducted funeral services for Mrs. Amanda Krampien, 91, in the United Missionary Church, Didsbury on Thursday, May 22, at 2 p.m. Burial under the direction of Didsbury Funeral Home took place in the Didsbury cemetery.

Mrs. Krampien, a resident of Didsbury for 52 years, died Tuesday in Didsbury hospital following a brief illness.

She was born in Strathburg, Ont., and came to Didsbury in 1900. She was a member of the United Missionary Church.

Surviving are five daughters, Mrs. Ben Good, Didsbury; Mrs. Sim Myers, Aldrie; Mrs. M. Gaddes, Victoria; Mrs. Will Strack, California; Mrs. David McCoy, Carstairs; 13 grandchildren; 35 great-grandchildren; two sisters and a brother, in Ontario.

GOLF TOURNAMENT POSTPONED TO JUNE 1

The golf tournament scheduled for Sunday, May 25, was postponed due to inclement weather and will be held this Sunday, June 1.

Tea-off time is 10 a.m. and the entry fee is 50 cents for the two-hole match for some, but a tournament of the local golfing season.

Those wishing to enter contact Dr. McNeil at 79, or Cliff Sorenson at 199.

Social Credit Candidate Nominated For Didsbury

SQUARE DANCERS REORGANIZE FOR NEW SEASON

At the square dance meeting held Thursday evening, May 22, in the Lions hall, the Didsbury Square Dance Club was reorganized for the fall. Officers and committees were elected as follows: President, W. Blore; vice-president, E. Dupont Sr.; secretary, Mildred Blore; Directors: Bill Weidner, Mrs. E. Dupont Sr., Mrs. E. Pieper. Reception Committee: Mrs. W. Weidner, Mr. and Mrs. Ross Young.

The president was instructed to contact Don Martin and the Smiths' Orchestra to arrange the fall dates. It was decided to solicit membership immediately, and interested parties are requested to join in sets if possible and reserve membership now.

Howard Hammill, M.L.A., received the Social Credit nomination for Didsbury constituency at a nominating convention held in Carstairs Wednesday, May 21. The nomination was moved by Ellis Turner of Carstairs and seconded by Tom Morris of Didsbury.

E. T. Wiggins of Didsbury was also nominated and withdrawn his name before a ballot was taken.

About 70 persons were present. 38 of them voting delegates from various parts of the constituency. Social Credit Constituency Association officers for 1952 are: president, C. J. Aarsby, Carstairs; first vice-president, W. Blore, Didsbury; second vice-president, George Shaw, Carstairs; third vice-president, J. C. Smith, Acme.

Guest speaker was Hon. Gordon Taylor, minister of highways and telephones.

Mr. Taylor addressed the meeting for an hour on government highway policies. He admitted that mistakes had been made in past years in building Alberta highways too narrow, of trying to make a grade out of black dirt covering it with two inches of black top, with resultant disintegration the following spring with frost boils and heavy traffic.

From now on, he said, all highways will be built with minimum width of 36 feet, all new grades will be used for a year before being black-topped; and the minimum of black top on any highway in the future will be six inches thick, and in some types of soil it could be from nine to 12 inches. He believed roads built to that standard would stand up to today's traffic.

Miss Elaine Goetjen has completed her stenographer's course at the Henderson Business College in Calgary and has accepted a position at the Co-operative Milk, Calgary.

Mr. Hubert Papke spent Sunday in Calgary with his brother Cecil, who is a patient in the General Hospital with pneumonia. The parents of both boys, Mr. and Mrs. H. Papke of Didsbury, went with the former to see their sick son and brother.

Quite a number of folks from this district spent the Victoria Day in Olds.

Miss Marjorie Goetjen left last week for Chinook, Alberta, where she will teach school till the end of the present term. Her uncle, H. Papke, took her by car as far east as Hanna and her parents, Mr. and Mrs. Herbert Goetjen, accompanied them. The trip was made under very difficult road conditions and it would seem we are not the only part of Alberta having to put up with bad roads.

Miss Dolores Black of Calgary spent the holiday weekend at the Chas. Brown home as guest of Mr. Ray Sanderson.

Mr. and Mrs. M. Crosby and family of Exshaw, Alberta, formerly of this district, were visitors last Sunday at the Otto Folkman home.

Mr. and Mrs. Chas. Topping and daughters were dinner guests Sunday at the home of the former's brother, Mr. and Mrs. Ted Topping.

Mr. and Mrs. Herbert Goetjen and Leslie were dinner guests Sunday of Mr. Fred Metz and Mrs. E. Dowell.

Friends of Mrs. E. J. Goetjen of the Jackson district will be pleased to hear that she is doing nicely after her operation in the Didsbury hospital last Tuesday.

Mrs. Lyle Good was sent to Calgary last week for further checking after her leg was brought back to the Didsbury hospital this week.

Lions Club Donates Money For Uniforms

One hundred and fifty dollars was voted for baseball uniforms for midget players at the last regular meeting of the Lions Club.

Report from the hall diamond committee revealed that machinery needed for the field was not obtainable this spring as expected but temporary repairs are being made. Erection of a fence or planting of a hedge was discussed and tabled for a later decision.

Financial statement presented by retiring president, Dale Kimmel, showed the bank balance at \$1,000 at the end of the fiscal year, part of which will be used to retire outstanding loan on Memorial Arena.

Seeding was somewhat delayed during the past week due to heavy showers in the district. Most of the wheat has now been sown and it is estimated that about 75 per cent of the coarse grain has been seeded.

Jutland Calf Club Picnic Well Attended

On May 24 the members of the Jutland Calf Club and their parents had a most enjoyable and profitable outing when they visited all of the member's homes and inspected the calves which are being fed for the Achievement Day and Sale of Baby Beef at Carstairs on June 4. Starting at Barry Gale's the members inspected his Shorthorn calf, then travelled to Stiles' where Gordon and Ken's calves were seen. At Tighe's a fine Shorthorn heifer was shown by Bud, then on to the Shells' farm where three more calves were seen. At each farm the fathers saw something of interest, such as new machinery or a new heifer sire. From Stiles' the group went to Paul Hauser's where Don who won first prize with his calf last year, showed a fine Hereford. Gerry Good's was the last place visited before returning to Charles Kohut's to see Lewis' calf, Lewis being a new member of the club, was presented with a wine shirt by the club members, this being part of the club uniform.

A short business meeting followed and arrangements were made for the annual beef judging contest and the sale at Carstairs. Mr. Sandy Brander is leader of this club, Ken Stiles is president and Louis Shells, secretary. Roy Gale had a regulation stock man's tape and measured each calf. From this he was able to tell the members the weight of their calves. At the end of the tour Mrs. Kohut served a delicious lunch of hot dogs and ice cream to about thirty-five guests.

BANK MANAGER HONORED

Forty business men of Cochrane gathered recently to bid farewell to Alfred Allen, who has been manager of the Royal Bank of Canada there for the past six years. Mr. Allen has been transferred to Didsbury and arrived here this week. Mayor Broatch, assisted by Cpl. James Baxter of the R.C.M.P., presented Mr. Allen with a goldstone bag. Mr. and Mrs. Allen were also honored when Mr. and Mrs. Leonard Kumlin of the Lazy J Ranch entertained recently. On their behalf Mr. Kumlin presented Mr. and Mrs. Allen with a coffeemaker.

FOR SALE—100 Bushels Montclair Barley, germ test 94%, cert. No. 71-19870, \$1.30 per bushel at bin. Sample field inspected and eligible for registration. Apply to E. W. Walker, phone 1213. 22-2p

CARD OF THANKS
I wish to extend my sincere thanks to Dr. McKenzie, the matron, staff, and the special nurse, Mrs. Herbig, for the kindness extended to me during my stay in the Didsbury hospital. Also to my many friends for the beautiful cards and flowers and get well wishes.
MRS. IRWIN L. KLEIN

IN MEMORIAM
In loving memory of David M. Sinclair, who passed away May 30, 1951.
"You were always true and patient through the years you struggled on and those hands that rest forever. Made the home that now is gone."
—Ever loved and remembered by his family. 1p

ENGAGEMENT ANNOUNCEMENT
Mrs. Annie Gust of Calgary announces the engagement of her youngest daughter, Helene Heidy, to Mr. George Albert Gillrie, son of Mr. and Mrs. R. E. Gillrie of Didsbury. The marriage will take place on June 20 at 8 p.m. in Mt. Calvary Lutheran Church, Calgary. c

ENGAGEMENT ANNOUNCEMENT
Mr. and Mrs. L. L. Klein announce the engagement of their youngest daughter, Valeria Grace, to Mr. Richard Eric Wannamaker, eldest son of Mr. and Mrs. R. L. Wannamaker of Elkton. The marriage will take place July 2, at 2:00 p.m. at Knox United Church, Didsbury. p

LOCAL COUPLE CELEBRATE 25TH WEDDING ANNIVERSARY

Marking the occasion of their 25th wedding anniversary, Mr. and Mrs. Jim Rupp were honored at a dinner party May 25th, arranged at the home of Mr. and Mrs. Tom Morris. A toast was proposed to the bride and groom of 25 years and a gift of silver presented from those present. Relatives and friends, as well as their daughter Betty, and son Arthur were present, and wishes for many more years of happiness together were extended.

Mr. View W.I. Collects \$116 For Cancer Fund

Mountain View W.I. held its regular meeting at the home of Mrs. W. E. Stiles last Thursday with eight members and four visitors present. Roll call was "Famous Alberta Women."

Mrs. Stiles and Mrs. Worrall gave a good report of the Olds Conference.

Winnie Bittner had a topic on "Your Will," after which a discussion followed.

The sum of \$116.00 was turned in for the Cancer drive, with one book still out.

Mrs. G. Tighe won the ten-cent draw and Winnie Bittner won the contest.

The June meeting will be held at Mrs. Tom Pratt's home on June 19. After God Save the Queen the hostesses, assisted by Mrs. Bebers and Winnie Bittner, served lunch.

Lone Pine Orioles Hold May Meeting

The May meeting of the Lone Pine Orioles was held at the home of Grace and Eileen Weber and the gathering opened with the singing of "Don't Fence Me In." Roll call was answered with a pressed flower, and twelve members were present.

Beverly Thompson gave a paper on "My Dog," which was very interesting.

The ten cent draw netted \$1.40 and Anne Shells had the lucky number.

A demonstration on making paper bowers was given by Mrs. H. Shells.

A meeting will be held at the Shells girls' home on May 28 to work on a scrap book.

The June meeting will be at Joy and Jean Elliott's home.

To close the afternoon a lovely lunch was served by the hostesses.

CONFIRMATION RITES AT LUTHERAN CHURCH

On Sunday, June 1, three children will be received as communicant members of the Lutheran Church through the solemn rite of Confirmation. They are Bernice Refus, Mack Meyer and John Reese. The morning service will begin at 10:30 a.m. This will be an oral examination of the Confirmants and the Act of Confirmation. In the afternoon, with the service to begin at 2:30, the Sacrament of Holy Communion will be celebrated. The newly confirmed will partake of this Sacrament for the first time. Also the other members of the congregation will partake of the Sacrament.

Following the afternoon service a special meeting of the voters of Redeemer Congregation will be held to consider the Divine Call extended to their Pastor, Rev. E. B. Fox, by the Emmanuel Lutheran Church of Moose Jaw, Sask.

the law of averages.

Beef For Sale!!!

Mr. Gardiner's complicated meat
deal with Britain and New Zealand
will undoubtedly take some of the
dangerous pressure off the Cana-
dian beef market.

But it won't solve all our market-
ing worries by any means. We
must find a market for at least
twice that amount of beef or its
equivalent in live cattle to handle
our current surplus production and
capacity.

There is such a market available
which Mr. Gardiner could tap
without the risk of a single tax-
payer's dollar. It is right here in
Canada. It lies on the extra
amount of beef Canadian con-
sumers would eat if prices were
lower.

In the past two or three years of
abnormally high prices for beef a
lot of people learned to do with
less. They bought fewer roasts and
steaks and they cut slices thinner.
At over a dollar a pound for round
steak or five or six times the pre-
war level, beef became a luxury on
a great many tables.

For Better M.P.s

How can we attract better men
in public life?

To make representation in Parlia-
ment a full-time job and raise the
pay accordingly would not solve the
problem. We would merely be
creating a new class of civil ser-
vant. But the functions of a Mem-
ber of Parliament and a civil ser-
vant in a democracy are not the
same. The one is comparable to
the member of the board of direc-
tors of a company, the other to a
full-time employee.

A much better solution would be
to tackle this problem at its root.
Trim the work of Parliament to
fundamentals, cut out the windy
speeches, the waste and delays.
Cut sessions down to only a few
months a year. Real reform of the
work of the House would make the
present burden on M.P.'s tolerable.

Six of every 10 wives regard their
husbands as housewives, according
to a recent survey. Moreover, one
of every three believes her husband
is better-looking today than when
she married him.

MOUNTAIN VIEW

(Last Week)

Mrs. Andrew Hansen returned to
her home in Calgary last Thursday
after spending a few days with her
daughter, Mrs. Arthur Gebers, and
family.

Mr. and Mrs. J. Worrall visited
Sunday afternoon with Mrs. Dowell
and Fred Metz, and Sunday even-
ing with Mrs. Winnie Bittner and
Mr. Pat Spraggs and children.

Mr. and Mrs. Walter Pratt and
children spent Sunday visiting
with Mr. and Mrs. Neil McKay
and twins.

Mrs. Walter Pratt, Carol and
Donnie are visiting in Calgary for
a few days.

Mr. and Mrs. Garnet Tighe visited
from Friday until Monday evening
at Vauxhall with Mr. and Mrs.
Allen Leith and children. Elaine
Leith returned with them.

Mr. and Mrs. Sid Morash and
boys were Sunday dinner guests
with Mr. and Mrs. Stewart Tighe.

Mrs. Kolen and daughter re-
turned to her parental home at
Cremona the end of last week
after spending her holidays with
her cousin, Mrs. Grenville McCaig
and family.

Mrs. Agnes Boettger, Arnold,
Marilyn and Louise visited Sunday
with Mr. and Mrs. Grenville Mc-
Caig.

The regular meeting of the
Mountain View Institute will be
held this Thursday at the home of
Mrs. Ed Stiles and everyone is
welcome to come.

Sunday dinner guests with Mr.
and Mrs. Elmer Rogers and family
were Mr. and Mrs. John Bruce and
family and Mr. and Mrs. Wm.
Bruce.

Mr. and Mrs. Cliff Helgren and
family were dinner guests Sunday
with Mr. and Mrs. Joe Hunter and
family. Supper guests were Mr. and
Mrs. Sam Elliott, Bob and Jean, and
evening visitors were Mr. and Mrs.
Harold Swanson and family.

CHRISTIAN SCIENCE

How can mankind be protected
from modern hypnotism? This
subject will be elucidated Sunday
in Christian Science churches. The
topic of the Lesson-Sermon is
"Ancient and Modern Necromancy,
alias Mesmerism and Hypnotism,
Denounced," and it includes the
following observation from "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy: "In a
world of sin and sensuality hasten-
ing to a greater development of
power, it is wise earnestly to con-
sider whether it is the human mind
or the divine Mind which is influ-
encing one" (pp. 82, 83). Included
also is this from the King James
version of the Bible: "For God shall
bring every work into judgment,
with every secret thing, whether it
be good, or whether it be evil."
(Ecclesiastes 12:14).

Proposed School Plan
Outlined Further

We continue this week with
more points outlined in the Byrne
report on school centralization.

The minimum enrolment for the
small high school should be from
60 to 70 pupils in Grades X to XII.
This requires three teachers, assur-
ing a reasonable degree of social en-
richment with standard instruction
(35-minute periods). If the
services of two traveling teachers
are added the program of such a
centre will provide a full academic
course with a fairly broad offering
of general education. The one or
two teacher high school with its
more limited enrolments is too
small for effective programming or
instruction.

The Divisional Board should aim
at high school centres with enrol-
ments above 60. To achieve this re-
quires a relatively large total popu-
lation for the school. The ratio of
high school enrolment to total en-
rolment is approximately 15 per cent
— roughly one-fifth after the
centralization has been in opera-
tion for some time. An enrolment
of 60 students in grades X to XII
presupposes then a total school
population in excess of 250 pupils.
High school centres should be
located in areas that give assur-
ance of this enrolment for a consid-
erable number of years.

Reorganization based on transpor-
tation involves a careful study of
van routing. The limit of riding
time for any elementary school
younger one way is 45 to 50
minutes; high school, one hour.
With walking distance not more
than a mile, the actual length of
the route based on these criteria is
determined by the condition of the
roads and the number of stops.
Eighteen to twenty miles appears
to be a maximum though this will
obviously vary from district to dis-
trict. There are routes in the prov-
ince carrying high school students
distances in excess of thirty miles
one way.

To suggest that school reorganiza-
tion does not create problems
would be quite untrue. The
major problem is that of rehous-
ing of students at the central point,
one which usually means consid-
erable capital expenditure. Fur-
ther, transportation is an added
service, the cost of which is some-
times, but not always, offset by the
saving in teachers' salaries. The
gains however are, in the opinion of
the writer, worthwhile. They assure
more effective instruction from
Grades I to XII with equality of
opportunity for the large majority
of the children within the division.

Following is a summary of com-
ments and recommendations:

- (1) This report recommends the
centralization of rural districts
around the six centres of Carstairs,
Didsbury, Cremona, Sundre, Tor-
rington and Olds.
- (2) Building a four to six room
school at Carstairs immediately to
meet present and future needs.
- (3) Building an eight to ten room
school at Didsbury immediately to
meet present and future needs.
- (4) Planning to extend accom-
modation at Cremona for future
centralization.
- (5) Constructing immediately ad-
ditional classroom space at Sundre
to take care of present and future
needs.
- (6) Planning a four room school
at Torrington to establish a junior-
senior high school centralization at
that point.
- (7) Taking immediate steps to
arrive at a working arrangement
with the Olds district board for fu-
ture centralization of the surround-
ing districts at that point.

Next week we will review some
of the plans suggested for re-
organization.

Half Holiday Wednesday

NOTE—Evening Hours, Mon. & Fri.: 7-9 p.m.

**"... saved me days,
perhaps weeks, of work"**

After returning from his first trip to
the West, a business man wrote his bank:

*"I arrived having no idea where to start
in to make the connections I required.
The thought occurred to me that perhaps
the bank, which has been very helpful
to me on numerous occasions, would
give me some guidance. Mr. W.
proved to be of tremendous help. He
introduced me to the people I should
have met and saved me days, perhaps
weeks, of work."*

Every chartered bank works this way.
Whether you walk into your neighbor-
hood branch or one a thousand miles
away, you will find the same full range
of banking service—and the same
readiness to help.

when you invest in
up-to-date power
farming machines.

Making use of up-to-date equipment to get more work done with less help is the most efficient and the most profitable way to operate a business.

In farming as in other industries power mechanization steps-up production, increases the output of available manpower, and keeps costs down. The steady adoption of new machines to replace worn out or old-style equipment is an investment that pays off in easier more profitable farming.

In Massey-Harris machines you get the latest in equipment built to save time, save labor, and save money. Your local Massey-Harris dealer will be glad to give you full particulars.

MASSEY-HARRIS COMPANY, LIMITED
Makers of High Quality Farm Implements since 1847

A prayer of thanks for a safe journey is offered by the Salvation Army International Band on arrival at Montreal airport recently. The band, first to visit Canada since 1882, arrived by T.C.A. from London on the first leg of a tour which will take them to major centres throughout Canada. The band played in Calgary, Saturday, May 24th.

SHELL OIL REPORTED TO HAVE MADE OIL DISCOVERY

Shell Oil Company is unofficially reported to have made a small D-2 oil discovery at Shell Olds, north-east of Didsbury, 12 miles north-west of D-3 wet gas discovery, Hudson's Bay Bailey Olds.

Officials of Shell report that the well has plugged back from total depth 10,451 feet to 9,545 feet, and is running casing.

The company has so far given no official tests on the well, but the unofficial report says the well found about eight feet of oil pay in the D-2 around 8,760 feet. D-3 topped at 8,903 feet, was said to be water logged.

Fact that casing is being run at the well indicates that some encouragement has been found.

Death By Lightning

Now is an opportune time to call attention to the danger of lightning, because this hazard takes a larger toll of life in the summer months than at any other season of the year.

Lightning kills around 400 persons annually in the United States, or about three in every million population. The probability of being fatally injured by lightning is far greater in rural than in urban areas. About nine out of every ten fatalities from this cause occur in places with 2,500 or less inhabitants, although these areas have only a little more than 40 per cent of the total population.

City dwellers are relatively safe, one reason being that the steel structures of the tall buildings act as lightning conductors. Moreover, persons in urban areas, when caught in a sudden thunderstorm, usually do not have far to go to reach a place of shelter. Rural dwellers, on the other hand, are more likely to be caught some distance from a safe shelter, and to find themselves a target for the electric discharge, especially on a road plain.

Many lives are lost each year because of the dangerous actions of persons caught in thunderstorms. This is evident from a study of the death claim records of persons insured in the industrial department of the Metropolitan Life Insurance Company, who were killed by lightning during the years 1911-1945. One third of the victims lost their lives when they sought shelter under a tree, and by so doing they increased the danger of being struck. Trees, and particularly isolated trees, because of their height, are more likely to be struck than persons; and after striking the tree, the bolt may flash sideways or, after reaching the base of the tree, it may run along the ground and strike anyone in its path.

Ironically enough, a number of those killed among the insured were standing under trees only a short distance from their homes. Homes properly equipped with lightning rods afford virtually complete safety. Similarly, the metal bodies of automobiles protect the occupants, even if the vehicle is struck by lightning.

The practice of seeking refuge in

THE ELUSIVE BUCK

According to a recent issue of the Cowichan Leader, Duncan, B.C., the buck is as hard to catch as ever.

Pursued by a dog, a young buck passed between two bunkhouses at Youbou on the C.N.R. Cowichan branch, crossed the tracks and then jumped headlong through a window in the waiting room between the C.N.R. office and the first-aid room. The deer was rescued and the dog collared by its master. A small cut on the leg was the deer's only apparent injury. The size of the window through which the animal hurtled in its escape was approximately 12 by 24 inches.

small sheds, especially in exposed areas, is also dangerous. These structures are a more likely target than are individuals. In the experience of the life insurance company mentioned, there are instances of men being struck in small farm barns, where they were waiting for the storm to subside. In one of these cases, the victim was struck while leaning against the wooden wall; a friend standing in the centre of the barn was unharmed. Another was killed when seeking shelter in a small, isolated wooden bathhouse at a beach.

The records show also that one person was killed while seeking shelter in a small ticket booth at a baseball field; the bolt struck a nearby telephone pole, and then ran along the wire to the booth. One youngster camping in a public park was fatally struck as he held on to the pole of his small tent, trying to keep the tent from being blown down; the pole was capped with a metal fixture.

Other victims tempted fate in a variety of ways. Some, caught in sudden storms while engaged in water sports, continued to swim or to row in small boats. Persons in small boats, it should be realized, are conspicuous targets, while swimmers are in danger not only of being struck directly, but also of being electrocuted by a charge carried by the water from a bolt striking at some distance. One golf caddy was killed as his group continued to play during a thunderstorm. Other men were struck while engaged in highway, bridge, or airport construction.

Canadian Apples are noted the world around for their delightfully clean taste.

Seagram TELLS THE WORLD

"For clean taste... look to Canada"

"Say 'Canada' and you think of sparkling clear air; of swift-running waters; of sun-drenched farms and orchards. It seems only natural, then, that there should be an especially clean taste to so many of the good things from this favored land."

the world—in Latin America, Asia, Europe, and Africa. This is one of a series of advertisements featuring Canadian scenes and Canadian food specialties. They are designed to make Canada better known throughout the world, and to help our balance of trade by assisting our Government's efforts to attract tourists to this great land.

The House of Seagram feels that the horizon of industry does not terminate at the boundary of its plants; it has a broader horizon, a farther view—a view dedicated to the development of Canada's stature in every land of the globe.

The above illustration and text are from an advertisement now being published by The House of Seagram throughout

The House of Seagram

Be Proud Of Your Business

Modern advertising is a necessity to hold and build business. Be proud of your business, of the goods you have to sell, of the services you have to offer in your particular line. Show the progressive spirit and the desire to serve by advertising. Do not hide your light under a bushel—proclaim far and wide who you are and what you have to sell and where your place of business is, for public memory is short, and advertising is a powerful aid to all types of businesses. Moreover, people as a general rule shop where they are invited.

CONTROL OF WILD MUSTARD

Over a nine-year period at the Experimental Sub-Station, Regina, average losses due to wild mustard with light, medium and heavy infestations were 13 per cent, 33 per cent and 53 per cent respectively, when compared with wheat where the weeds were removed by hand.

Now 2-4-D is widely used to control this weed in grain crops. In actual practice, some damage is usually done by the weeds before they are killed by the chemical, and in some cases crops are damaged by the treatment. Therefore increases in yields from the use of 2-4-D have not usually been as high as when the weeds were pulled as soon as they emerged. Greater increases in yield of wheat have been obtained when spraying was done at an early stage of growth than when sprayed late.

Plots sprayed when the wheat was in the three-leaf stage gave an average yield of 27.4 bushels during the past four years. Plots sprayed when the wheat was in the five-leaf stage yielded 23.8 bushels, and check plots receiving no 2-4-D yielded 22.9 bushels for the same four-year period. This represents an increase in yield of 4 per cent when treated at the five-leaf stage and 20 per cent when treated at the three-leaf stage. Treating the three-leaf stage, resulted in numerous head deformities, but this is no disadvantage except in fields which are to be inspected for registered or certified seed production. In this case the deformities interfere with the inspection for pureness of variety.

Careful summerfallow and seeding practices will do much to reduce the wild mustard. Shallow tillage, the use of ammonium phosphate fertilizers and heavy seeding (two bushels per acre)

THE WORLD'S INCREASING HUNGER

The increasing overall scarcity of food in this world is receiving more and more attention from authorities on nutrition and population.

The facts are that for some considerable time past the population of the world has been increasing each year faster than the production of food.

It is stated that only one-third of the world's population now enjoys sufficient food of the right kind to be properly nourished, and that two-thirds either lack sufficient of even the plainest food or else are suffering from a lack of the essential food items, i.e. livestock and livestock products, which promote good health and protect against disease.

The world's population, it is stated, is increasing at the net rate of over one per cent per annum, which means 22,000,000 additional mouths to be fed each day. The increase in the production of food-stuffs, it is computed, is only a small fraction of the one per cent annual increase required to match the increasing mouths to be fed.

The situation in short can be expressed today in the same words used by Thomas Malthus 150 years ago: "The problem is to provide for those who are in want." Most authorities consider that the problem is much more serious today than it was in the days of Malthus.

have been the most effective cultural methods for wild mustard control at the sub-station.

Recommendations on weed control are made annually by the Western Weed Control Conference. Copies of the latest recommendations are available at the Dominion Experimental Sub-Station, Regina.

Letter Given To Hospital Patients

The following is a copy of a letter handed to all patients of the Didsbury Municipal Hospital upon leaving:
THANK YOU AND BEST WISHES
May we, your hospital staff, take this opportunity of expressing our sincere wish for a speedy convalescence and full recovery?

It has been our privilege to have been of service to you when your need was greatest. When you were admitted, you or your family did not feel it necessary to specify the very best in care and service — you took those things for granted. For this confidence in our ability, placed without conscious thought, we are deeply appreciative.

We hope that your association with us has been as pleasant as the circumstances of a stay in hospital can ever be. We would like you to know that not only the nurses who tended you, but other members of the staff whom you probably never saw, have been at your command at any hour of the day or night. We recognize that the maximum in service is the minimum we can offer in order to fulfill our duty to you.

We feel certain that you will understand that maintenance of your hospital's 24-hour service imposes heavy costs upon our operations; a burden which has been aggravated by the inflationary price rises of the past ten years. Hardly an item among thousands required in the day-to-day operation of your hospital has not been doubled, even tripled, in price.

In order, therefore to preserve the standards we both feel cannot be reduced, it has been necessary to increase slightly the direct or in-

TRINIDAD PROHIBITS IMPORT OF ANIMALS

By Importation of Animals (Foot and Mouth Disease) Regulations, 1952, dated April 15, the import into Trinidad of cloven-footed animals, carcasses of such animals, fodder, grain, litter and dung from the provinces of Alberta, Saskatchewan and Manitoba is prohibited because of the outbreak of foot and mouth disease in Saskatchewan.

You may think there is not much that any one person can do toward achieving world peace. Yet if every person who believed in the ideas of the Golden Rule, the Sermon on the Mount and the Ten Commandments would begin practicing them in his own small sphere, the combined effect would be world-shaking.

—Alfred F. Weinstein

direct charges to patients. It would be unrealistic to attempt to provide service with 1952 costs on a 1939 income. We are confident that you will understand our position that while service to you and your family is our highest — our only endeavour, such service can only be provided to the extent that your hospital is operated along sound business lines.

For our part we pledge ourselves to do everything in our power to meet your continuing trust in the services of your hospital.

The Management and Staff of your Community Hospital.

Let's get down to the Solid Facts!

**Chevrolet Trucks Can Save You Money
All Along the Line**

Look at the facts before you buy. They'll show you how a Chevrolet truck can mean really substantial savings on your hauling or delivery job. And they'll show you why.

In every detail, Chevrolet trucks are designed with the customer's job and payload in mind. Their economical, dependable Valve-in-Head engines, famous for power and stamina, keep fuel consumption low. Sturdy hypoid rear axles, deep channel-type frames, Flexi-Mounted cabs. Recirculating

Ball-Steering and other Advance-Design features keep maintenance costs down. Value is built in to stay in — safeguarding your truck investment.

More Canadians buy Chevrolet trucks than any other make. Let the facts lead you to Chevrolet trucks for real savings — right from the start and on through the miles. Come in and talk over your truck needs and see how you can save money all along the line!

Fact No. 1

More Truck for Your Money

Check the comparative value of Chevrolet trucks, and you'll see for yourself how Chevrolet gives you far more for your money. In design, in craftsmanship, and in every last detail of their construction, Chevrolet trucks are engineered and built to unsurpassed standards of value.

Fact No. 2

Rock-Bottom Operating Costs

Many thousands of truck users have proved to their own satisfaction that Chevrolet costs the least of all to own and maintain. Valve-in-head economy, in the 92 h.p. Thriftmaster, 105 h.p. Loadmaster, 114 h.p. Torquemaster and 120 h.p. Workmaster saves on gas. Chevrolet's special 4-way engine lubrication system reduces wear, keeps oil costs low.

Fact No. 3

Engineered and Built for Your Loads

Chevrolet trucks are engineered to your payload requirements. You don't waste money by buying "too much truck" — you don't risk work interruption or slow downs by buying "too little truck." Frame, axles, springs, body, brakes, and power are part of a well-balanced team that does the job at lowest cost.

Fact No. 4

Lower, Slower Depreciation

Records show that Chevrolet trucks consistently bring more money at re-sale or trade-in than any other make of trucks which cost about the same when new. Chevrolet's market value stays up because the value stays in. Here is further evidence that Chevrolet is the best truck buy — and that's why more truck users buy them!

DOG IS BURIED WITH MASTER

The bodies of Bert B. Adams, of Bradenton, Fla., and his dog, Tipple, were placed in the same casket last week.

Adams, 66-year-old merchant had requested that the dog, a pedigree Chihuahua, be put to death and

buried with him when he died. After Adams was taken to a hospital the dog refused to eat. Mrs. Adams said the dog never ate another bite.

A boy's first cigarette is enjoyable only in ratio to the amount of secrecy he finds necessary in smoking it.

In the past few weeks many power interruptions have been caused by boys thoughtlessly shooting at insulators. We would like to point out that while the cost of replacing these is considerable, we are more concerned with what may be serious consequences to power consumers, as broken insulators may be the cause of a power shutdown lasting hours.

Next time you feel the urge to shoot, think of this:

DO YOU WANT TO CUT OFF THE POWER TO A HOSPITAL?

DO YOU WANT TO STOP OPERATIONS IN MILK PLANTS AND OTHER ESSENTIAL INDUSTRIES?

DO YOU WANT TO CUT THE POWER FROM PRIVATE HOMES (WHICH MAY INCLUDE YOUR OWN) WHERE SICKNESS OR OTHER EMERGENCIES MAY URGENTLY REQUIRE LIGHT?

WARNING

Regarding
**SHOOTING NEAR
POWER LINES**

During recent months excessive damage to our lines and equipment has been traced to indiscriminate use of rifles, frequently in the hands of minors. This damage has resulted in serious interruptions of electric service to hospitals and other important consumers.

The extent of this damage and the interruptions to our service have compelled us to request the Royal Canadian Mounted Police to apprehend and prosecute the offenders. In this connection we wish to remind parents that they are financially responsible for damage caused by minors.

The penalties provided for damage of this type are indicated in the following excerpt from the Criminal Code of Canada:

Section 521 of the Criminal Code

- Every one is guilty of an indictable offence and liable to two years' imprisonment who wilfully—
 - destroys, removes or damages anything which forms part of, or is used or employed in, or about any electric or magnetic telegraph, electric light, telephone or fire alarm, or in the working thereof, or for the transmission of electricity for other lawful purposes; or
 - prevents or obstructs the sending, conveyance or delivery of any communication by any such telegraph, telephone or fire alarm, or for the transmission of electricity for any such electric light, or for any such purpose as aforesaid.
- Every one who wilfully, by an overt act, attempts to commit any such offence is guilty of an offence and liable, on summary conviction, to a penalty not exceeding fifty dollars, or to three months' imprisonment with or without hard labor.

ATTENTION FARMERS!

Please take every precaution when burning stubble or brush in the vicinity of power lines. A burned pole can cause serious power breakdowns as well as being extremely dangerous to anyone in the immediate vicinity.

Field Supervisor

SEEDING GRASSES

I have had a great many enquiries lately from people who want to seed down part of their farm to grass, either for permanent pasture or for seed production. If it is more pasture that you need you will be well advised to consider seeding a mixture of several grasses and if possible, include several pounds of alfalfa. Many people are afraid that alfalfa will cause bloat in livestock. My opinion is that with a grass mixture, 1½ to 2 lbs. alfalfa per acre could be safely sown. A mixture that might work well for pasture is as follows: 2 lbs. creeping red fescue, 2 lbs. crested wheat grass, 2 lbs. alfalfa, and 4 lbs. bromine per acre. The livestock will appreciate a variety and the pasture itself will do better and last longer. Different combinations could be worked out for your particular need. If it is seed production you want the following chart may help you.

How Much to Plant

Brome, if broadcast, 12 lbs.; if in 30 inch rows, 5 to 6 lbs. Depth of seed 1½ inches.

Timothy, broadcast, 7 lbs.; if in 30 inch rows, 2 to 3 lbs. Depth of seed 1 inch.

Creeping Red Fescue, broadcast, 7 lbs.; if in 30 inch rows, 2 to 3 lbs. Depth of seed 1 inch.

Crested Wheat Grass, broadcast 8 lbs.; if in 30 inch rows, 3 to 4 lbs. Depth to seed 1½ inches.

Sweet Clover, broadcast, 10 lbs.; if in 30 inch rows, 4 lbs. Depth to seed 1 inch.

Alfalfa, broadcast, 7 lbs.; if in 30 inch rows, 3 lbs. Depth to seed 1 inch.

Creeping Red Fescue is becoming increasingly favored by many as both pasture and seed crop. It does well in this district and makes excellent pasture while at the same time replenishing the soil with root fibres, so essential to our mixed farming economy.

Why Teach ! !

The following article was written by Dr. Stanley Clarke, Faculty of Education, for Alberta School Trustees' Association:

Everybody wants short hours, high pay, quick promotions, easy work and holidays with pay. If you are looking for a job like that, remember that so is everybody else. If you find two, let us know about the other one.

Teaching as a career gives one some degree of each of the desired job qualities. The actual working hours are short — not over 35 per week. Additional work is always self-controlled in the sense that you can mark the assignments after 4 p.m. or after supper — you have a choice. The pay is not as high to start as is that of some other jobs, but it keeps rising with experience. For a young person considering a life work, that future look is often neglected and is very important. Your parents will tell you how short four or five years between the ages of 20 and 25 look from their present age. To the person of 19 it seems like all of time!

As anyone knows, pay and hours of work aren't everything about a job. Do you like to be your own boss? From 9 o'clock until 4 every day, a classroom teacher is. She decides what to do, how to do it, and when to do it. There isn't anybody peering down her neck, and saying: "Now do this," or "Just stop that work you are doing and come over here." Besides being her own boss a teacher learns how to work with people, especially with children. The training teachers get is the best of training for motherhood. The harried parent who wonders what to do next often envies the teacher who can deal with 30 or 40 of these human dynamos. Any man is smart to choose a girl with such training for his wife.

So, why teach? Because you serve society as a teacher, because 20 years from now your influence on young lives will pay off, because it is work which requires initiative and intelligence. If you are only for a big starting pay cheque, with little future prospects, with risky and itinerant work, don't look at teaching as a job. But if you would like to improve yourself as a person and as a possible parent, if you would like to leave your mark on the world, indelibly printed in the lives of young people, then choose teaching as a career.

Mountain View Community Hall
United Missionary Church
Rev. W. D. Annett, Pastor

SUNDAY, JUNE 1st
10:30 a.m.: Sunday School.
11:30 a.m.: Worship Service.
Friday, May 30, 8:00 p.m.:
Prayer Service at St. Paul's Roper's.
Come and receive spiritual benefit from each service of the Church. You are very welcome.

This is the month when baseball most of our local patriots act as if catches our town by the throat and, a boy who can throw a ball accurately is far more important than like or Taft or Truman or Winnie.

From all over the world . . . Friends are coming to ALBERTA!

Our Tourist Friends are on the way! They have heard of our magnificent mountain scenery, our lovely lakes and parkland. They plan to enjoy our pleasure resorts, our modern accommodation and fine foods and service and they'll be keenly interested in our trout streams, our upland and big game hunting. They will attend our exhibitions, stampedes, fairs and feature attractions in city and country. So, be ready for them.

Show our Tourist Friends that you're glad to have them here. Be helpful, be friendly. Make them happy they came. Now is the time to sharpen up your premises, your business or services.

Everybody benefits from tourist business. The money tourists spend finds its way to stores and theatres, to factories and farms throughout the province. Do your part to see that your community benefits from the tourist industry. Co-operate gladly.

READ SIGNS OF LIFE HEED

Don't Bank on Chance!

Every time a motorist neglects an unsafe condition in his car he is making a deposit with death. May is the logical time to have your car thoroughly checked for defective safety features. Check brakes, tires, lights and steering mechanism. Other safety equipment which requires attention are rear and stop lights, windshield wipers, mufflers, window glass and rear view mirror. Remember . . . "GOOD DRIVERS DRIVE SAFE CARS" . . . check up and be safe!

Check the condition of your car regularly and have a Safe Balance for the rest of your life.

Be Careful - the life you save may be your own!

guest at the home of Mr. and Mrs.
V. Burkholder.Miss Lorraine Stodaika and Miss
Marjorie Needles of Calgary were
weekend visitors at the home of the
former's sister, Mrs. D. Fraser, and
Mr. Fraser and Danny.**M.V.B.C. NEWS**Mr. Charles Matson has returned
to the College and will assist in the
work there this summer. There is
much of interior work that must be
done now, and he will be very busy
for the summer months. Mr. Matson
graduated with the degree of
Bachelor of Theology and is intend-
ing to further his education next winter.Mrs. Lydia Suder has returned
from the recent I.C.C. Conference
held in Detroit, Michigan, and
gives a glowing report of the ac-
tivities of the United Missionary
Society's plans for the future. This
Society is sending out five new
missionaries this year among whom
are Miss Beverly Redfield, R.N. of
the local hospital, Mrs. Suder is
the Superintendent of the Women's
Missionary Society of the United
Missionary Church of Alberta.Mr. and Mrs. Lachman and Mrs.
Habermehl have been making soap
at the school. The product they
turned out is excellent. They are
hoping that they will be able to
make more as those who have
quantities of fat for that purpose
bring it in.Mr. and Mrs. John Wilson have
returned to Youngstown, Ohio, for
at least a part of the summer
months. Mr. Wilson will continue
his study in piano and relative
work.Mr. G. Lyle Richardson is hold-
ing services in Dauphin, Mani-
toba, this week. He leaves for
Chicago, and his own home in
Delaware after that. In June he
intends to sail for Europe again.
He may spend some time in Eng-
land and Scotland this time, and
will return to take up his work
at the College in October.We appreciate the response the
friends of this community give the
school each year at this time. Those
working in the kitchen will be
pleased to pack eggs as they are
brought in from now on. We would
like to do about 200 dozen again
this year. Appeals will be made in
other districts also. It is also time
to can rhubarb and every prepara-
tion to do so is being made for it.You consume your own weight in
food about once every 50 days, if
you're an average American adult.
A healthy child does it in about 10
days.**MOUNTAIN VIEW**Saturday afternoon visitors with
Mr. and Mrs. Arthur Gebers were
Mr. and Mrs. Dexter Williams and
twins and Mrs. Thomas Finley.Mr. and Mrs. Phil McNeil visited
Sunday afternoon with Mr. and
Mrs. Ed McNeil and Charles.Mr. and Mrs. Don McFaden of

sen of Acme visited Sunday with
Mr. and Mrs. Harold Shultz and
family.Mrs. John Weibe, Tena Weins and
Helele Rempel visited Saturday
evening with Mrs. Arthur Gebers.Mr. Pete Kryklywsky of Edmonton
visited Saturday and Sunday at the
homes of Mr. and Mrs. Joe Hunter
and Mr. and Mrs. Sam Elliott.The Gore school pupils attended
the musical festival and took part
in it at East Carstairs hall. Neapolis
and Juland pupils were also in
attendance.The Gore and Neapolis schools
have a ball game planned for this
Friday.Donald Stiles spent the holiday
weekend at his home in the dis-
trict. He is working in the Drum-
heller district.The Juland Beef Club made a
tour of all the club calves on Sat-
urday, May 24, and lunch followed
at the home of Mr. and Mrs. Chas.
Kohut and family.Mr. and Mrs. Bob Jones and Doug
of Calgary visited Saturday after-
noon with Mr. and Mrs. Grenville
McCaig and girls.Mr. and Mrs. Thomas McCaig of
Calgary were weekend guests with
the McCaigs. Mr. Vic Pear visited
with them Sunday evening.Sunday afternoon visitors with
Mr. and Mrs. Adam Morasch were
Mr. and Mrs. Frank Berg and girls
and Mr. and Mrs. Harold Jarowsky.**BERGEN NOTES**Cemetery day, sponsored by the
Ladies' Aid, was held on Thursday,
May 22, and a good number of
people turned out to help trim trees,
rake grass and pull weeds. A load
of rich earth was brought for the
flowers on the graves and at the
end of the day the grounds looked
considerably improved. A recent
visitor to the community remarked
on the well kept appearance of the
local cemetery, so keep up the good
work, folks!A number of church groups from
Bergen and Sundre held a com-
bined picnic on May 24th at west of
Sundre. We understand that the
truck with the ice cream got lost.
Wish we had been along.Mr. and Mrs. Walter Gamble and
Gwen left Monday on a trip to
Washington where they will attend
the Pentecostal Holiness Church
convention. They will be accom-
panied as far as White Rock, B.C.,
by Walter's parents, Mr. and Mrs.
Ira Gamble of Didsbury, where
they will visit the Howard Gilmore
family.Mrs. Esther Clemens of Edmonton
visited over the weekend at the
Edna Mjølness home.Charlie Hodge flew out from
Oils for a bit of fishing on the 24th.The Bergen school children were
so disappointed Friday when the
Sundre track meet was cancelled
that they trimmed Red Deer Valley
in a ball game in the afternoon.The recent showers have been
welcomed, especially by those who
have their crops and gardens all in.**EAST NOTES**Siebertville ball team were the
visitors at Bancroft Thursday even-
ing and the latter won 17-10.Mr. and Mrs. Underhay called on
Mr. and Mrs. Walter McCulloch
last Wednesday.Mr. and Mrs. Schumaker and
Gloria and Mr. and Mrs. Herb
Zeigler and family visited recently
with Mr. and Mrs. Alfie Thompson.Congratulations are extended to
Mr. and Mrs. Elmer Ehret on the
birth of a daughter.Congratulations are also extend-
ed to Miss Gladys Shells and Mr.
Roy Dowell, who have announced
their engagement.Mrs. Brander is visiting with her
son, Sandy Brander and family.Mr. and Mrs. Nick Lucas of Cal-
gary were Sunday visitors with the
former's sister, Mrs. Lloyd Ciperley
and family. Later in the afternoon
they called on Mr. and Mrs. Alfie
Thompson.An old timers' program will be
held at the one Pine hall this Fri-
day. Come out and see what the
early years were like.Mr. and Mrs. Clendenan and Gor-
don of Calgary visited with the lat-
ter's parents over the holiday week-
end.Mrs. Bruce Shells and girls spent
the weekend at the farm.Miss Jessie McCulloch spent the
weekend holiday at her home.Leslie, Reginald and Stanley
Schumaker and Miss Jessie McCul-
loch took in the Olds dance May 24.
Harold Hobbs of Calgary spent
the weekend with the Alfie Thomp-
son family.

LITTLE ITEMS OF LOCAL INTEREST

Jim Kirby returned last week from a short holiday in the States. He was accompanied as far as Four d'Aene by Clint Reiber, who went on to California for an extended visit with relatives.

Thomas Scott spent the weekend with his parents. He was recently elected president of the Young Peoples' Presbytery of the United Church for the City of Calgary.

Miss I. Sarge is a patient in the Didsbury hospital and is not expected to return to her teaching duties for a week.

Mr. and Mrs. Ken Ralph of Stavelly visited on May 21th with Mr. and Mrs. W. J. Scheidt and family.

Mr. and Mrs. George Collinge and daughter of Edmonton and Miss Muriel Collinge of Calgary spent the weekend with Mr. and Mrs. William Collinge.

Mrs. I. L. Klein returned home Thursday after undergoing an operation at the local hospital. We are pleased to report Mrs. Klein is feeling much better.

Rev. W. Victor McArthur and family of Portland, Oregon, are visiting with their parents, Mr. and Mrs. W. H. McArthur, during their holidays.

Mrs. Sid Stewart of Vancouver is visiting in town for a few days with her father, Mr. A. G. Studer. She will also spend some time in Edmonton with her brother, Cecil, and in Holden with her sister, Mrs. Winifred Beveridge, before returning to the coast.

On May 24 Mr. and Mrs. E. S. Brower travelled with Mr. and Mrs. Harold Peng to Wainwright where they visited with Mr. and Mrs. Barry Brower and family. While there they made a tour of the Army encampment where soon there will be 35,000 soldiers in training. This camp is located in the former buffalo park which is 36 miles square.

Mr. and Mrs. Jas. Rouleau, Linda and Larry, of Pincher Creek spent the holiday weekend at the Frank Fletcher home. Mrs. Fletcher accompanied them on their return home Sunday.

Born at the Holy Cross Hospital, Calgary, on Saturday, May 24, to Mr. and Mrs. E. W. Walker (Betty Klineck) a daughter, Catherine Anne.

Mr. and Mrs. A. L. Melnes had their son-in-law and daughter, Hon. and Mrs. Ivan, of Edmonton, visiting with them over the Victoria Day weekend.

Mr. and Mrs. Cliff Murphy and family, Mr. and Mrs. E. E. Lorne and Lorna, and Mrs. Tony Spooner and Dick were all guests at the home of Mr. and Mrs. Ira Scott on Sunday.

FAMILY REUNION

A family reunion, planned for April 6 to celebrate the 70th birthday of Mrs. W. Blain of the Elkton district, had to be postponed due to road conditions, but a double celebration took place on Mother's Day, May 11. Mrs. Blain, who enjoys fair health, had a busy day entertaining five of her sons, Percil, Arnold, Orville, Alice and Wilfred; two daughters, Mrs. G. Monck of Calgary and Mrs. A. Snyder of Didsbury; also numerous grandchildren and great grandchildren. Unable to be present were a son, Robert of Langley Prairie, B.C., and a daughter, Mrs. A. Cooke, of Bowness.

After a typical farmers' banquet the afternoon was spent in reminiscing over the old days, playing horseshoes and various other games. And, of course, the day ended with another large spread.

WEST NOTES

Mr. and Mrs. L. Banting visited with Mr. and Mrs. L. B. Day at Cremona on Sunday evening.

Among those attending the sports day at Olds on May 24 were Mrs. C. Byrt and family, Mr. and Mrs. A. L. Hogg and Mrs. K. K. Korschuh.

Mr. and Mrs. A. Cook visited at Red Deer Friday evening.

Mrs. L. Banting visited with Mrs. A. L. Hogg Monday afternoon.

We are sorry to hear that Mr. Cecil Papke is a patient in a Calgary hospital and wish him a speedy recovery.

Miss Gladys Lowrie is a patient in the Didsbury hospital and we hope she will soon be out and about again.

South West Didsbury

Mr. George Meyer and Mr. E. A. Bartz were Calgary visitors Wednesday.

Mr. and Mrs. L. Hunsperger and family and Mr. and Mrs. Alfred Snyder and family motored to Calgary May 21.

Mr. and Mrs. Art Edwards and family of Calgary spent the holiday with Mr. and Mrs. J. Edwards and Mr. and Mrs. L. Dickau.

Mr. C. B. Shantz of Calgary spent the holiday visiting with Mr. and Mrs. R. L. Shantz, Mr. and Mrs. E. Dippel and family and Mr. and Mrs. M. Dippel and Carole.

Mr. and Mrs. C. F. Stroud and family and Mr. and Mrs. M. Dippel and Carole spent the holiday at Cremona and other points north west.

Mr. and Mrs. Bert Alexander and Bob, Mrs. Mary Cressman and Mr. Gray Cressman, all of Calgary, were Sunday dinner guests of Mr. and Mrs. L. Hunsperger and family.

Mr. and Mrs. J. B. Hipkin and Patsy were Sunday afternoon visitors with Mr. and Mrs. M. Dippel.

Mrs. H. Gore and Mr. Alex Gore of Olds, and Mr. Victor Gore of Calgary were Sunday guests of Mr. and Mrs. Jack Edwards and family.

Mr. and Mrs. J. B. Hipkin and Patsy were Sunday evening guests of Mr. and Mrs. Wilfred Miller.

Mrs. J. L. Tuggle and Mrs. E. Dippel leave Thursday for Warner to attend the W.S.W.S. convention and will visit with Rev. and Mrs. S.E. Sherman and family.

Mr. and Mrs. Cecil Weber and Douglas, Mr. and Mrs. Gordon Weber and Donald and Mr. and Mrs. E. Good and Nelda were Sunday guests of Mr. and Mrs. Royden Shantz and family.

They're Here ... NOW!
